

QUALITY MANAGEMENT SYSTEM

1.4

HEALTH AND SAFETY POLICY

It is the policy of Pentagon Plastics Limited and Small Batch Plastics Ltd to conduct its business as far as is reasonably practical to ensure the health, safety and welfare of employees and third parties and to comply with all statutory requirements.

The Managing Director is responsible for ensuring that the policy is implemented and reviewed annually to ensure that the performance in occupational health and safety is satisfactory.

All employees are reminded of their own duties under the Health and Safety at Work Act to: -

Take reasonable care for the health and safety of themselves and of other persons who may be affected by their acts or omissions at work.

Co-operate with the organization management so as to enable them to perform or otherwise comply with their statutory duties.

Not intentionally or recklessly interfere with, or misuse anything provided in the interests of health, safety or welfare.

Employees are encouraged to identify areas that could potentially develop into a Health, Safety or Welfare issue and to report any problems or potential issues through their Health & Safety representative. Any issues raised are put before the Health & Safety committee so that effective corrective and preventative actions can be put in place.
